everything you need for your stay in Dalyan

issue 16 - Apr'11

[www.kaunostours.com](http://www.kaunostours.com)

Hello everyone!

We are very happy that finally the season is starting! Sun, sand, sea!... (and yes, a bit of noisy preparations here and there in Dalyan before it)

In fact, we got our first tour (seakayaking at Kekova islands near Kas) at the end of March and thanked god for excellent weather. Back in the office for updates and maintenance of nearly everything, the staff is heavily involved with new vehicles, the boats, outdoor equipment, villas, computers, etc... Nevertheless, spring after winter is good!

This year, Kaunos Tours carries on concentrating more on the weekly tours; get advantage of our discounts on these multi-day packages in June and September.

As we try to do our best to provide good service for our daily excursions, there are some new tours we introduce this year:

- **Kaunos Extreme Outdoor Pack** (cycling to Yuvarlakçay and Canyoning at Toparlar river)
- **Kaunos at Dawn** (an early visit to Kaunos by boat, breakfast on board at Çandır Lake and swim at Iztuzu beach). More info at next page.
- **Relaxation therapy & spa** (spend relaxing time at this new spa hotel, offering relaxation therapy, massage and other spa activities)

Kaunos Villas has already started getting the villas ready for the first customers. Now, there is a new personnel in the company, Sharon Husan, and she is fully dedicated to Kaunos Villas customers and villa owners.

Happy seasons to you all from a sunny Dalyan!

# KAYAKING AT KEKOVA

## trip report

The season this year started just a bit earlier than usual and we were at Kekova islns area for a seakayak trip for the Moorehouse employees from UK

The area is a popular tourist destination in summer, but Üçagiz and Kale (Simena) was relatively quiet at this time of the year. Since Kale is only accessible by boat, kayaking proves to be the best way to explore the ancient coastline.

The 3-day trip was excellent in terms of scenery all around, good camp sites, excellent weather for kayaking and group involvement. Kekova island, the sunken city ruins, Simena and Theimussa ancient sites, beautiful secluded beaches were some of the highlights. and the group made sure they had good fun as they did their «homework»!

Well done Moorehouse team!
